

Drawing Amendments:

The attached sheets of formal drawings replace the informal drawings filed on August 25, 2003.

REMARKS

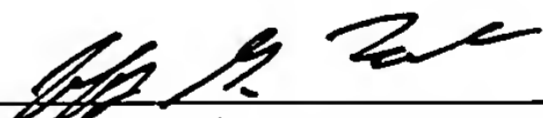

The Office Action mailed on April 18, 2006 included a requirement for formal drawings to replace the informal drawings that were filed with the application on August 25, 2003. Formal drawings were submitted in the response to the Office Action filed July 18, 2006. However, the Notice of Non-Compliant Amendment mailed July 31, 2006 indicated that the amendment to the drawings was non-compliant because each drawing sheet was not identified as A "Replacement Sheet" as required by 37 CFR 1.121(d). The enclosed formal drawings comply with 37 CFR 1.121(d). Reconsideration and entry of the formal drawings is respectfully requested.

CONCLUSION

Applicant(s) does not believe that any additional fees are due, but if the Commissioner believes additional fees are due, the Commissioner is hereby authorized to charge any fees which may be required, or credit any overpayment, to Deposit Account Number 50-2469.

Respectfully submitted,
